IDA SOUTHWEST ANNUAL PATRON PACKAGE

SOUTHWEST chapter

HELLO.

Dear Friends of IIDA Southwest,

Our sincere thanks to all who have supported IIDA Southwest this past year! Your generosity and goodwill make it possible for the IIDA Southwest Chapter to provide outstanding educational, professional and social/cultural programs and events to our members, students and the entire design community.

In 2023, we hosted a variety of events to bring manufacturers, dealers and designers together. We are most proud of this year's Connect4, our philanthropic project at each of our City Centers, benefiting a local non-profit organization. Thanks to your generous support, collaboration and resources, we changed people's lives for the better.

With your support, we expect 2024 to be another successful year for our IIDA Southwest Chapter and community partners. We will be focusing more effort on sustainability and DEI programs, and we will continue our Advocacy efforts at the local and state levels. In addition, we are excited to increase our outreach to students through the growth of Campus Centers at local design schools.

On behalf of the IIDA Southwest Executive Board, our Members, and the entire Design Community, we thank you from the bottom of our hearts for your generous support of our programs, and we look forward to working together in the coming year!

Sincerely,

ROSEANN LINSMEYER, IIDA
